Bamburgh Croquet club is set on the green underneath the massive ramparts of Bamburgh Castle. There can be few more idyllic settings in Britain for a summer sport than this outstanding venue.

The club was founded in 2008 and has a growing membership of all standards, from experienced players to absolute beginners. Both association and golf croquet are catered for. Vacancies are still available for players at all levels, so why not give croquet a try. Beginners are most welcome, as are more experienced players, who will hopefully provide advice and mentoring to those newly introduced to the game.

The club is affiliated to the Croquet Association and to the Croquet North section of the Croquet Association. We enjoy great support from the governing body that represents the 160+ croquet clubs throughout England and Wales.

Croquet is a game of skill, tactics and strategy, and continues to fascinate all who play. There is a handicapping system not dissimilar to golf so that players of all standards can enjoy a game together. It is also a highly social game, and a great way to meet new friends.

All equipment, including mallets, is available free-of-charge to members so there is no outlay whatsoever for those who are trying croquet for the first time. The lawns can be used any time by members for practice or games.

Please complete the subscription form overleaf, or you can visit our website www.bamburghcroquetclub.org.uk or call 0131 336 2585 for more details about the club, including joining information and session times.

Just one word of advice—croquet can become highly addictive—you have been warned!
